

Homeless Ministries Task Force - July 10, 2019 meeting notes

Present: Norm Bryan, Mike Ferrel, Peg Ferrel, Sam Cox, Jennie Hartman, John Creager

Open with devotional message - Jennie

Read Oneness in Christ Statement - All

Safe Parking - John

Request that door checks be logged even if all are locked, and the time noted.
(This will help in figuring out who is leaving them open or unlocked).

Participants' wellbeing

We decided to allow one participant's vehicle to remain in the lot all day at Stony Point while that person is in the hospital. We will evaluate the situation as the duration of the health crisis becomes known. If the participant is not able to resume regular safe parking hours by next Thursday, 7/18, we will need to help the person find an option other than safe parking.

We discussed our need to recognize our limits as individuals and as a group.

Other

Peg and Mike have reserved a truck to help move participants' belongings from one self storage location to another on Friday. They are asking for helpers.

John will communicate with safe parking participants regarding a sanitation issue, as well as ask them to let us know when they will not be joining us for breakfast on a Sunday.

Closing Prayer

Next meeting August 14, 1:30 p.m. in the Carriage House

John Creager, note taker
