

Homeless Ministries Task Force - April 10, 2019 minutes

Present: Norm Bryan, Sam Cox, Bob Cheal, Shirley Cheal, Peg Ferrel, Mike Ferrel, Jennie Hartman, John Creager

We approved the minutes form our March meeting.

Those present logged their volunteer hours for the month.

Jim Wieschendorf and Marty Thompson presented an idea from the Communications Committee to invite a Press Democrat reporter to interview a current (or former) FUMC safe parking participant and/or a Spirit Cafe attendee. They will get back to us with specifics.

We went through the April, May, and June safe parking volunteer schedule and people signed up to cover shifts for those who were going to be away during some part of those months. An updated schedule is attached to these minutes.

We discussed the issue of inoperable vehicles belonging to safe parking participants being left 24 hours a day in the Stony Point parking lot. One of the two vehicles being left in the lot was removed by the participant yesterday and we are working with the owner of the second vehicle to have his vehicle removed as well. We will continue this discussion in future meetings and seek consensus on our approach.

Respectfully submitted,
John Creager
