Opening questions from Pastor Lindsey

What is the goal of the Homeless Ministries Task Force?

What is the capacity of this group?

Should we do more?

Should we be doing things differently?

Discussion followed:

Might we be a guide for the congregation into various homeless efforts?

Might we be the ideas people?

Could we join and work with other groups on homelessness issues?

Can the whole church get behind the same mission?

Could permanent supportive housing (including a level of support) and low income housing be a goal?

Homework:

Where might I be called at each level of involvement? Pastor Lindsey will send the informational chart she provided.

Next meeting: January 27, 1pm.
