Trustees Report:

The trustees are currently in process of obtaining bids for all priorities. We are working with the Finance Committee to find the best way to fund the projects needed.

Susanna Wesley House:

- 1) Covered Parking (fire rated) – I am working with an engineer to obtain the cost for the carport to be drawn and engineered along with a material list. Once I know the materials, I have asked Brian Garrison to obtain the cost of the materials.
- 2) Trustees will be making a decision if the best path forward will be as a parsonage or office rental.

Montgomery Campus:

- 1) Sidewalk repairs to be completed mid-June.
- 2) Several members of the Trustees are completing a video inventory of the personal property for our records and insurance purposes.

Stony Point Campus:

- 1) Giffen House – Facility Use of the Giffen House by Women’s Recovery Services from May 1st through October 31st approximately.
- 2) Several members of the Trustees are completing a video inventory of the personal property for our records and insurance purposes.

Angels’ Attic:

- 1) The Trustees have signed a lease termination for Angels’ Attic. Angels’ Attic will be closed and vacate the location at 411, 401 E Street and 751 Fifth Street by July 31, 2019.
